Feel pretty with this deliciously colorful cowl. Layering, wraps, and dramatic cowls are all over the runways this season. This piece comes into real life with the versatility of being a shoulder wrap or poncho too. An easy knit in 5 different colors and yarns, it works up quickly and is great for fall layering. Let us help design one just for you, using complimenting colors or even a tonal feel. Approximate price as shown is Non Club: \$158.25 and Club: \$128.00

Wurly-Gig Hat

Knit in four colors of *Stacy Charles' Zara*, this hat is fun and looks great on everyone! Vertical stripes wrap around with a rolled brim to compliment the face and a ruffled crown rests regally on top as the ultimate finishing touch. Knit your Wurly-gig in this beautiful "Fall Leaves" palate or let us know what colors you like and we'll put together a special palate just for you. Non Club: \$65.70 Club: \$55.84

Cornucopia Scarf

This scarf is a feast for the eyes, knit in *Noro's Taiyo*, a wonderful combination of 40% cotton, 30% silk, 15% wool, and 15% nylon. It is perfect for the often fickle fall weather: not too warm, comfortable against the skin, and really pretty. Add some luscious *Nanook*, a wool and alpaca blend from *Anny Blatt* for the fringe and you have a lovely addition to your fall and holiday wardrobe. This scarf is worked with two strands of Taiyo so each scarf is one-of-a-kind. Available in "Good & Plenty" as shown or "Moon Festival", "Harvest", and "Equinox". Non Club: \$53.75 Club: \$45.75

Kashmir Gauntlet

Our classic fingerless gloves or "gauntlets" have been a great gift project as well as a beautiful fashion accessory for you (especially when the frost is on the pumpkin). Knit flat and finished with a side seam, these comfy gloves are really soft in *Trendsetter's Kashmir*, a blend of 65% cashmere and 35% silk. Available in several colors, give us a call and we'll find one (or two or three) for you. Non Club: \$28.25 Club: \$24.00
