The "Really Cute Shoulder Bag"

Inspired by Noro's beautiful variegated yarn Tayio, this *Really Cute Shoulder Bag* knits up quickly with wonderful results each time. Students work in-the-round using Seed Stitch, Sand Rib, and Eyelet Stitch then the top of the bag is shaped with an I-cord laced through it. You design your bag by combining three different yarns together, creating a one-of-a-kind masterpiece. (Please note this class is for knitting the bag. Finishing the bag with lining and handles will be discussed for students to do at home or Finishing services are available by L'Atelier.) **Skill Level:** Medium Beginner – Advanced.

Fee: \$60 for three, two hour sessions (Plus Supplies).

Class Dates and Time: Wednesday, August 10, 24, and 31.....6:30 PM – 8:30 PM

"Three Times Beautiful"

Lacey Triangle Shawl

You'll enjoy knitting this soft and sexy triangle shawl using simple stitches on a large needle to create a light and lacy piece that drapes nicely on all body types. Knit, Purl, Eyelet Stitch, and Fringe comprise this delightful wrap. With a gradual "V" shape that hits mid back and long sides that elegantly come to points at each end, it's even light enough to wrap around like a scarf. You'll find yourself "throwing it on" with everything from a special occasion dress to your favorite pair of jeans. Students will be knitting their scarf with 3 different yarns in different colors hence the name, *Three Time Beautiful!* This shawl makes a great gift too.

Skill Level: Medium Beginner – Advanced.

Fee: \$60 for three, two hour sessions.

Class Dates and Time:

Thursday, August 11, 25, and September 1 6:30 PM – 8:30 PM

The "L'Atelier Top-Down Sweater"

A proven winner, our top down sweater is a phenomenon. A favorite by our customers, you'll find that if someone has made one these babies, they've made two. What is the lure? The "Top-Down" is easy, fast, forgiving in the fit, and can be

changed up a bit according to taste. Plus, there is very little finishing as most of the sweater is knit in one piece. Wear it open, with a closure, add a button or more, make the sleeves longer or shorter, make the length longer or shorter.... make it your own. Start with L'Atelier's Happy Hours, a progression of several different yarns in a hand-tied hank then pick two colors match.

Phenomenal!

Skill Level: Medium Beginner – Advanced. **Fee:** \$80 for four, two hour sessions (Plus Supplies).

Class Dates and Time: Wednesday, September 7, 14, 21, and 28 6:30 PM – 8:30 PM

The "Flower Workshop"

Finish up by adding one of our exclusive L'Atelier Buttons as the flower's center then attach a "pin back" for easy application and you're ready to go.

Skill Level: Medium Beginner – Advanced. **Fee:** \$30 for one, three hour session (Plus Supplies).
