NOVEMBER 2009 SWEATER OF THE MONTH

Bountiful is one of the words that come to mind when thinking about this time of year. The gift of the harvest, translating into a time of sharing and thanksgiving, shapes this month as a special and unique time of year.

Thanksgiving is my favorite holiday as it has yet to be converted into a gift giving event. Instead it keeps its integrity of purpose, to bring people together, to share and give thanks for our blessings. I won't go so far to say that it hasn't been corrupted a bit by football, but then who cares, it still gives way for more camaraderie. What really matters is the sharing.

Life is about connection. We spend so much time perfecting our lives, doing the right thing and generally spending time rather than enjoying it. The chance for a few special hours with loved ones is truly a gift that we often need to be reminded to give as well as receive. A candle lit table filled with everyone's favorite thing to eat, brings comfort, tradition and a sense of timelessness. Sharing my table with friends and family brings me a feeling of well being. Some years go better than others, depending on the family dynamics, or drama, but all years add to the continuum.

We wish you and yours a wonderfully warm and glowing Thanksgiving. We won't discuss football this year...I'll wait for a more bountiful season for my Bruins. Stay connected!

Sally's Addiction

It's the time of year to curl up with your favorite knitting, or a good book, or just to relax and cover yourself in soft wonderful fiber. Whether you gift this one, or save it for your own, we know the impulse will be there to do another. Inspired by our friend Sally Slack who knit and wowed us with the first one, we decided to bring the fun to you. They're addictive. Our throw incorporates the best of all, including ten different yarns worked in a simple yet wonderfully textured pattern stitch. *Trendsetter's* **Rapunzel, Boing, Dune, Montage, Skye, Pepita** and **Adventura**, to name a few, make up the kit. We've chosen 4 superb color ways, but if you need another, just ask. We can make it happen. Non Club: \$385.00 Club: \$265.00

SOFT...ROCKS Soft, lightweight, and a dream to wear, are the words that best describe our asymmetrical arty cardigan. We've chosen *Trendsetter's Kid Seta* in two colors and then knit in Jester to create the floral feeling detailing. The piece gently ruffles in all the right places. Knit on a size 9 needle the effect is cloud like. We see it going to many parties this season, as just the perfect cover. Non Club: \$110.25 Club: \$82.50

KEEP THE FAITH It doesn't get much better than this gorgeous designer inspired cardigan. The neck softly folds as you cinch the waist to give perfect fit. Leave it un-tied for a more unconstructed feel. We love this one. Co- designed by Karen and Melissa and lovingly knit with great faith by Linda Kaplan, in *Karabella's Margrite Bulky*, we know it's a winner. This is one of those sweaters that started as something else and then with some creative genius from Melissa, turned into the best ever. Non Club: \$255.00 Club: \$191.50
